Ordinance

KEVIN KAUFHOLD
Attorney

- When an ordinance was changed last week, I (Kent) didn't get notified, I (Kent) don't know that John and Jackie did, but shouldn't we had been included on the ordinance change? Attorney Kevin Kaufhold, responded there are times that the committee members are not involved with the changing of the ordinances, the Mayor has the lateral control, and wanted a special meeting with the ordinance change. There is no state law that says we must run everything through committee.
